## **A FEW CLASS RULES**

- Dogs in season may not attend classes. We suggest you attend the class so you can learn the material and then practice at home.
- All dogs must be kept on leash and under control at all times.
- Accidents happen. We provide equipment for cleaning up after your dogs when necessary. Please help us keep our facility neat.
- We encourage children to participate in the training of the family pet, however they must be accompanied by a parent or guardian. The instructor may need to ask the adult to step in to help with the dog.
- Children must be under control when observing classes so the instructor can concentrate on the class.
- Children should not approach a dog unless permission has been given by the handler.
