

Clermont County Dog Training Club proudly hosts:

# **TONY GRAVLEY**

## **“Building a Tracking Dog”**

**(Foundation)**

### **Introduction to Tracking**

Saturday and Sunday November 19 & 20, 2022

Location: 6058 Kells Lane, Milford, OH 45250

Contact Edith Markoff at [emarkoff01@gmail.com](mailto:emarkoff01@gmail.com) if you have any questions.

Tony is coming to Ohio to present “Building a Tracking Dog.” Tony’s methods and technique come directly from years training police and military dogs, and reaching years back to training Schutzhund and IPO. Tony’s method was developed to teach any dog to track. This is a working workshop that will not only explain Tony’s theories and philosophies on tracking but show hands on how to start the K9 and the training steps to continue to build a true tracking dog. Corners, Surface Changes, Temperatures Weather and Article indication these are examples of items that Tony will also discuss to give solid insight on how to address each one in your training program. Tony will also in the workshop go over Module 1 and Module 2 of Tonys Tracking DVD, Each working spot will be provided a link for module 1 and module 2 for later viewing and training reference. As always Tony’s training style is about building Desire, Drive and Commitment for the dog to do the work.

Tony will be working with 12 teams. This is an introduction to tracking workshop No previous tracking experience is required. If a dog has previous experience this is also not an issue as drive development and skills for the K9 are the goals behind the workshop.

Auditor spots will be limited and the quantity will be determined once working spots have been confirmed.

Tony Gravley, is the Owner and Founder of Next Generation K9, TWG Group LLC. Tony has over 30 years of experience as a Trainer, Instructor, Manager and Handler of Police and Military Working Dogs. Here are some of Tony's abbreviated highlights below:

Owner and Head Trainer Next Generation K9 which holds multiple Government contracts such as Department of Defense, U.S. Customs and Border Patrol, through these contracts Next Generation K9 provides fully trained Patrol Explosive Detection K9s Single Purpose Explosive Detection Dogs, Patrol Narcotics Detection K9’s along with “Green’ Dual Purpose Canines. Tony has also conducted countless workshops centered on Nose Work/Detection and has been a guest Instructor for several Police K9 Conferences. Next Generation K9 is averaging over 100 working dogs a year placed with Government Agencies this includes selection, importing and training.

Tony has also managed and instructed for various groups including protecting the Embassy in Baghdad, Iraq; NATO, American and Canadian interests in Afghanistan and Kuwait. Tony provided training of Explosive/Narcotic Patrol Dogs to the

Department of Defense and Federal and Local Law Enforcement Agencies. Tony also taught all Military Working Dog Courses to include Patrol, Detection, and Supervisor Course.

Additionally, Tony has the following credentials: Fully Accredited Master Trainer, United Police Work Dog Association; NACSW Nose Work Judge; Active in CNWI Program; AKC Scent Work Expert Judge (highest level judge and instructor/teaching judge); Tony Has Numerous Police K9s that he has trained that have countless successful apprehensions resulting in the K9s tracking skills. Tony Has Titled over 12 Schutzhund I Dogs and Numerous Schutzhund III and IPOIII and to include a FH Title on the last dog Tony competed with in Europe. Numerous K9 Nose Work Titles; Qualified and Invited to 2016 AKC Obedience Nationals; Instructor for several NACSW National Competitors; Multiple Students achieved K9 Nose Work Elite Titles; U.S. Marine Corps Military Police K9 Handler; Graduate of Military Working Dog Patrol Dog Course; Graduate of Military Working Dog Explosive Detection Dog Course; Graduate of Military Working Dog Supervisor Course; Graduate of Air Education and Training Instructor Course

### **WORKING SPOTS:**

A handler may only work one dog per Working Spot.

Dogs will be crated in the same room as the Workshop. Working dogs should be comfortable (& non-disruptive) in a crate while waiting for their turn. The workshop will be held in a climate-controlled facility. If a dog cannot be crated, the handler should expect to work out of their car and stage away from the search areas, so you may not be able to watch other working teams. Please consider this when deciding whether to apply for a Working Spot. Also, some searches may be outside...please dress accordingly.

Working Spots are limited – applying for a Working Spot does not guarantee acceptance. In the event of cancellations, preference for Working Spots will be given to those on the Wait List and then, to those registered for Auditing Spots.

### **AUDITING SPOTS:**

In order to allow for maximum working time for the working dogs, auditors need to hold their individual questions until breaks or lunch.

### **WHAT TO BRING:**

**For Everyone** - a portable chair; notetaking supplies.

**For Working Spots** – a crate, tarp under to be placed under crate, a water bowl for your dog, reward/treats, and dog clean up supplies. These items can be left overnight.

### **REGISTRATION/OTHER DETAILS:**

2-Day Working Spots: \$350

2-Day Auditing Spots: \$200

Box-type lunches will be provided to Working Spot teams. Auditing Spots may bring their own lunch.

There will be NO personal video/audiotaping of the educational portion of the Workshop. You may take personal video of your own dog working. If you wish to do this, **you may not post the video on any social media**, without Tony's approval...check with him before you do it.

If you are interested in a Working Spot, you will need to follow the instructions on the registration page.

If you are interested in an Auditing Spot, no pre-approval is necessary. Please fill out the Registration Form and mail it with your payment, following the instructions on the registration page. Auditing Spots will be limited and the number will be determined once the Working Spots are confirmed.

Full payment is required with your Registration Form. **Checks should be made payable to CCDTC.**

**Checks will not be cashed until November 19, 2022**

**Mail your Registration Form and payments to:**

**CCDTC**
