Social Distancing requirements at an event are MANDATORY. There is *no option* to mutually consent to be closer together than 6'. Please be respectful that your proximity or request for proximity may make others uncomfortable. Please review the document [COVID-19 Event Guidelines](#) that is located in Google docs and was emailed to the membership on 5/8/2020.

In addition to those guidelines the following changes and guidelines are in effect for this trial due to COVID-19.

At the time of writing this premium, all attendees (participants and volunteers) will have the option of wearing a face mask in the search. They will not be mandatory. However, our mask policy at the time of the trial will conform to the local/state COVID regulations. The regulations as they stand for the day of the test will be outlined in the final confirmation email.

Participants are asked to remain in their vehicles as much as possible. Running of vehicles is permitted.

Participants are asked to bring their own hand sanitizer and disinfecting wipes.

If there are any changes or updates that information will be included in your final details information that will be emailed 1 week before the ORT weekend.

Trial Eligibility and ORTs

An ORT must be taken and passed at least 14 days before a trial opening date to be eligible for the first draw period.

Basic Description of Test

To successfully pass an ORT a dog must identify the location of the target odor and the handler must correctly call an "alert" within a three-minute time period. The Odor Recognition Test consists of a drill type exercise which requires 12 closed boxes set up in a pattern of *one or two* rows, spaced a minimum of 48" apart. The ORT is conducted on leash. Complete information can be obtained on the NACSW™ website.

All exhibitors should obtain and review a copy of the NACSW™ K9 NOSE WORK® RULE BOOK. You may get it from their website: www.NACSW.net

No dog will be given more than one space in the same odor test at a single event.

Results

During the odor re-sets, the official results sheet will be brought out to the parking area for testers to photo or review. We recommend you verify your results on the official results sheet and let your host or judge know if you have any questions regarding your results.

Refund and Cancellation Policy:

Cancellations received via email by 6:00pm EST on May 21 2022 will be issued a full refund. **No refunds after 6:00pm EST on May 21, 2021.** The secretary is not responsible for lost emails. The secretary will send an email confirming the cancellation within 48 hours of request. ENTRY FEES shall not be refunded in the event that a dog is absent, disqualified or excused by the NACSW official or judge.

This cancellation and refund policy applies to competitors that must withdraw for any reason including but not limited to injury, illness, emergency, and personal or work-related reasons.

If the Odor Recognition Test (ORT) cannot take place or be completed by reason of fire, civil disturbances, an Act of God, public emergency, or any other cause beyond the control of the ORT organizers, then the ORT host will make their best effort to provide partial refunds after recouping their expenses.

Test Location:

Site Specific Conditions

The ORT will be indoors on padded mat surface. The parking lot is on asphalt. There are no stairs required to either enter or exit the building. Indoor restrooms will not be available, but Port-o-lets will be available outside. No indoor crating will be available. Dogs should remain in the car. Food will not be available. There are a number of restaurants within a 5-mile radius. All dogs must be on a 6' leash at all times when not being tested. No flexi-leashes for walking dogs on test site grounds; flexi-leashes may be used in the test itself. Please clean up after your dog and respect the marked potty area.

Reactive Dog Parking

There will be reactive dog parking at this test for those who wish to park in this area, however the parking is tight and there will not be separate potty areas or warm up boxes. Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

We are unable to accommodate any unentered dogs at this location. Unentered dogs must remain in the competitor's vehicle during the test day. There will be ample potty areas, but unentered dogs should not be allowed to "play", exercise, or train on the test grounds.

RV Parking

Unfortunately, there is no space for RVs to park in the competitor parking area during the test day.

Running Vehicles or Generators in the parking lot

Although the parking is tight at this location, it will be possible to run your vehicles or generators in the parking lot.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

Dog Policies

- All dogs must be on a 6' leash at all times when not being tested. NO flexi-leashes while not participating in a test.
- Reactive and/or spatially challenged dogs should wear a red bandana (to be provided by the dog's handler) to help signal others that the dog needs extra space from other dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating testing space, interrupting a test, or from viewing any part of the testing.
- Competitors should expect to keep their dogs confined in a crate or vehicle when not testing and should plan to provide their own shade using canopies or shade cloths.

Females in Season

Will be allowed to run wearing "pants" at the very end of the running orders after all other dogs have been judged. Females in season will be parked and pottied in areas separate from the other dogs while at the test if the location logistics permit. Handlers must contact Edith Markoff at Clermontsec@gmail.com so plans can be made for the dog.

ADA Requests

If you are an individual with a disability and would like to request accommodation(s), please email ADA@nacsw.net. Please include your name, ORT date, ORT host name, and your requested accommodation(s).

Spectators

To minimize the number of people on site, anyone not volunteering, competing, or officiating is asked to stay home except in the case where someone **requires** support to travel to the event. Spectating will be permitted, but is limited to only one person. An adult accompanying a minor must be present during the searches. Everyone at the trial site must sign the waiver provided by the host and comply with all event requirements.

Smoking

Smoking is not allowed on this test site including the parking lot and dog walking areas. The non-smoking policy includes the use of e-cigarettes
