

# Clermont County Dog Training Club Class Registration Form

One form per dog  
for each class

The registrar should receive this registration form at least 6 days before class start date.

To assure quicker enrollment and to improve your chances of getting into a class, **the online electronic registration and payment method is recommended** in place of this paper version.

**Payment to CCDTC MUST be received with this registration to confirm a place in the class.** However, submitting a registration form does NOT guarantee a place in the class. Registrations are on a first come basis. Some classes fill quickly.

You will receive an email confirmation before the start date of class stating if you got into the class. (Check your spam folder)
